53	It's good.. people are friendly and college is good	4/23/2014 9:23 PM
54	Expectations should be under-check. Mooting is promoted from 1st year only in few law schools. If you don't come up voluntarily and take chances nobody will push you in a law school. There is no autonomous body which decide things for you in law school. If you are a dare devil, then success will follow	4/23/2014 9:12 PM
55	I would stress on more at the exposure I am getting in this law school. The different cultures, backgrounds of my friends have helped me to adjust with everything	4/23/2014 8:55 PM
56	Good that there is no politics because students will get more decision making power than any 'local outside party member' Bad that no moral as well as financial support from college for participating in inter-college fests or competition.	4/23/2014 8:39 PM
57	it was very different. The amount of exposure is very good. But it could be made better with more mooting and seminars	4/23/2014 8:35 PM
58	At first it seemed like a course that I thought I had a low potential in, Now the subjects seem more interesting and I am improving.	4/23/2014 8:28 PM
59	It is not worth the money that we are spending Poor administration	4/23/2014 7:59 PM
60	It has been a great journey till now. The competitive yet friendly batch-mates are a joy to be with. Everyone is close to each other. You get chances to work out your ideas whether it be a legal aid seminar or a consumer protection seminar. When playing football or volleyball there is no discrimination by seniors and they treat me as one among their group.	4/23/2014 7:58 PM
61	I find it hard to match up to the standards of my peers, especially when it comes to debating and writing skills.	4/23/2014 7:47 PM

69	It's getting better. There are good days, and the bad days (quite too many of bad ones)	4/12/2014 8:38 PM
70	A very learning experience allowing us to develop as critical thinkers, who never accept the world at face- value. Good opportunities to participate in intellectual extra- curriculars and stimulating discussions on matters affecting the law today.	4/12/2014 9:04 AM
71	I FEEL MYSELF GENUINELY CONFUSED & UNHAPPY EVER SINCE I'VE COME HERE. ESSENTIALLY, I FEEL AT MY WORST WHILST I'M HERE.	4/12/2014 2:44 AM
72	the enthusiasm with which we come to law school seems greatly dampened by the factors such as peer pressure to do things you may not be comfortable with, the academic leap, issues with social interaction. etc. The law school experience is not too kind to those who are introvert.	4/12/2014 1:50 AM
73	Has been tough. Not very inclusive. Westernism at its peak. Extremes of liberty. Too competitive.	4/11/2014 11:41 PM
74	It's better than I'd expected. I have good friends, the ambience is good. It pretty much has everything one wants,	4/11/2014 10:03 PM
75	Even though law school can get a little taxing sometimes, however it is a good learning experience. Through law school, we learn not only our legal profession, but also other individual characteristics like hard work, sincerity etc.	4/11/2014 8:39 PM
76	It actually helps you to open up and speak which is gained by confidence. And I can say gradually I am becoming confident than I was before.	4/11/2014 7:54 PM
77	Academics and extra curriculars have been good.	4/11/2014 6:39 PM
78	It has helped to wider the perspective and the way I conceive things happening around me.	4/11/2014 6:10 PM
79	Law school has been a good fit and lived up to most of my expectations. It's a lot of work but worth it.	4/11/2014 5:56 PM
80	Law school has been everything I thought it would be yet, somehow it is slightly depressing in that we hear and study about all the flaws present in society around us and yet we see these same flaws being reproduced within the law school environment itself.	4/11/2014 5:31 PM
81	Good stuff.	4/11/2014 2:39 AM

86	The teachers and the seniors are always ready to help whenever needed.	4/2/2014 3:00 AM
87	The environment here is good as well as this is the profession of my interest. So, I company studying here.	4/2/2014 12:02 AM
88	The student body is not as good and the teaching body and administration are not that good as expected from a " National Law School".	4/1/2014 4:01 AM
89	The experience in my law school is very good. Here i came to know new thing in both social and educational aspect and different cultural views are also seen here.	4/1/2014 3:33 AM
90	Shite	4/1/2014 3:19 AM
91	I feel in my law school some of the faculties are incompetent in teaching. Students do not talk about creative ideas. Students from outside of Bihar think themselves smart. I get bored of doing classes and don;t find it worth of attending. Only one class that is of Political Science is interesting rest give me no knowledge. Most of students including me studies exam time only.	4/1/2014 3:17 AM
92	Too less participation from the major chunk of the student pool. Some failed to relate and there was hardly help rendered from the immediate seniors.	4/1/2014 2:47 AM
93	It takes time to fit in and choices have to be made wisely here.	4/1/2014 2:11 AM
94	It has been different than what I had expected.	4/1/2014 1:44 AM
95	The experience has been good for finding new people, studying new subjects.	4/1/2014 1:34 AM

98	Hectic life but a lot more to learn.	4/1/2014 12:26 AM
99	Fun	4/1/2014 12:13 AM
100	Law school experience has been fine ,but the thing that disappoints me is the curriculum and manner in which the projects are allotted, and there is no proper schedule which is even pathetic. it is hard to take part in other activities, due to academic pressures.	4/1/2014 12:10 AM
101	Seniors support and weaker student get extra class	3/31/2014 11:57 PM
102	Its been nice enough	3/31/2014 11:56 PM
103	Law was not my first choice nor is it still. Hence my views on my college will be biased as I feel that I should be pursuing some other course. the biggest set back is that what CLAT asks is not much relevant to what we study in a law college. I enjoyed my CLAT preparation but the subjects that we study here are completely different. I feel misled and intimidated by the stress on CGPA. Also, by the domination of a few students in both academics and extra curriculums.	3/31/2014 9:12 PM
104	The experience been good when it comes to meeting new and different people. However the administration becoming visibly more arbitrary and the rules are becoming increasingly strict and irrational.	3/31/2014 8:49 PM
105	The environment in law school is very professional. Much more than required. It scares the student from the beginning, like me, and thus makes them reluctant to even try to fit in with everyone. The environment needs to soften a little so that students like me are comfortable or at least not scared, and also, this will make the best in us to come out. I've used 'us' because there are many more like me.	3/31/2014 7:55 PM
106	Something that can change your approach to society, norms etc.	3/31/2014 7:41 PM
107	I dont like the way courses are taught in law school. Most students here study them only when the exams are round the corner (me included). These subjects are meant to be learnt and not studied,	3/31/2014 7:34 PM
108	Law School has been an awesome experience after the first few hitches. NLUJ has awesome campus life and brilliant students. Offers a wide range of activities. but the faculty is hugely disappointing especially since the good teachers have left. The present V.C. is not ideal for a law school atmosphere.	3/31/2014 6:20 PM
109	Satisfactory. Disappointment because of a few arbitrary administrative rules.	3/31/2014 6:02 PM
110	Very stressful.	3/31/2014 5:45 PM
111	A person becomes more interactive.	3/31/2014 5:35 PM

113	Hectic but happy	3/31/2014 12:36 PM
114	It is quite nice, the subjects are very interesting.	3/31/2014 12:30 PM
115	To be precise, law school experience hasn't been good enough. To take it from the academic point of view. The faculty hasn't been good enough which we obviously don't expect from a law school.	3/31/2014 11:24 AM
116	Law School has been an amazing experience, a good learning experience so far.	3/31/2014 8:13 AM
117	NLSIU as an institution has helped in growing my growing my overall persona in just 6-7 odd months and this is a thing for which I am grateful to all round law school experience	3/31/2014 8:07 AM
118	It's an amazing place, full of opportunities. It's a high intellect community where you learn a lot daily.	3/31/2014 7:58 AM
119	A challenging life. But when the going gets tough the tough get going and the hard work we put in will undoubtedly bear sweet fruits of success.	3/31/2014 7:45 AM

141	I have no idea about what is going on and what is taught is quite easy for me, but the students are quite stupid according for me	3/30/2014 8:17 PM
142	Very poor standard of teaching, not worth wasting so much money or time. All learning is only by self-help teachers don't know how to teach and have no or very poor knowledge of law. Even the VC is not supportive. yet, Student quality is very good.	3/30/2014 7:53 PM

146	Excellent	3/30/2014 7:05 PM
147	I believe the most important requirement is for you to approach law school with an open mind. Naievity will get you nowhere.	3/30/2014 4:43 PM
148	Leamt a lot in academics and personality building wise. But always thought that if people are here from different backgrounds and reservations then why is everyone graded (papers getting checked) with the comparison of others. I mean not everyone is a +80% grader in their high school and so it goes with teaching.	3/30/2014 4:34 PM

## IDIA Diversity Survey 2013-14

153	I'm now, I am don't know that why I am in law school or what I want to with my life. I am here studying subject which do not interest me. Marks being the criteria for most of things are easy to score; but scoring marks without any interest in the subject does not help or not it can be compared to utilization. I still don't know if I want to enter into a legal profession after graduating as law student or not.	3/30/2014 3:10 PM
154	Largely enjoyable with a wide variety of subjects which I have not previously focused on (by virtue of my stream in 12th standard). However, it is pretty hectic at times- balancing between studies and other activities.	3/30/2014 2:09 PM
155	As a person I have challenged myself, but it has made me underconfident and left me inferior in life	3/30/2014 1:04 PM
156	Still fitting in, but so far apart from the pressure it's been okay	3/30/2014 12:56 PM
157	It has been an interesting experience. Several teachers are extremely inspiring. The discussion in some classes are open and deal with several social issues and teachers encourage looking at law as it applies in real life. [There are also teachers who blatantly teach wrong facts or dont show up to class]	3/30/2014 12:51 PM
158	Remember that God is with you and everything is bearable. Top law school is not a cakewalk but only requires good strategy and an open mind.	3/30/2014 12:18 PM
159	I am just grateful I am in this college. Students over here are amazing have no words to describe them.	3/30/2014 12:06 PM
160	Shit is good	3/30/2014 10:54 AM
161	Teachers are co-operative. Seniors and classmates are helpful. Interactive classroom sessions with extra curricular activities like Moots & MUN are held.	3/30/2014 2:32 AM
162	Different from where I come from.	3/29/2014 4:27 PM
163	Law School Rocks.	3/29/2014 3:38 AM
