It gives us great pleasure to invite you to the fourth edition of IDIA Football League 2017 (IFL 2017). The IDIA Football League is conceptualised as a football tournament in Mumbai for law firms and corporates. IDIA is organising the IFL to raise money to sponsor the legal education of IDIA Scholars studying at National Law Universities and other leading law colleges.

The schedule and timings will be informed well in advance to enable your team to plan appropriately. The dates and venue are listed below:

Date - 9th and 10th September 2017

Venue - Turf Park, Jio Garden, Bandra Kurla Complex, Bandra East.

We would be grateful if you could enroll your organisation in the unique tournament that allows it to express its support for such a noble cause while enabling your colleagues to enjoy themselves. Since time and slots are limited, we request you to rush in your entries.
